TOP 100 SITES 2016 REGIONAL WINNER

South Lytchett Manor truly is a superb campsite – last year, it won this regional category, as well as our Top Site for Motorhomes award, and it repeats both of these feats again for 2016. What's more, it's also recently been named the AA's Campsite of the Year.

The park is run as a family venture, and the attention to detail here is impressive: whether you've arrived with a caravan, camper or tent, you'll find the welcome warm and the facilities top-notch. Extra-large tents can be accommodated on super pitches, for example, as can twin-axle caravans or tag-axle motorhomes. A motorhome service point is available, and music is piped into the spotless washrooms. Children are catered for with treasure hunts during the main season, and there's even a 2.5-acre dog-walking field.

If you do decide to head off site for the day, you can easily explore the local area thanks to the two bus routes that stop by the main gate. From there, you can get to Swanage, Poole, Weymouth and more.

You say...

"*Very helpful staff who go the extra mile to help and are very friendly. They don't just rest on their laurels, they listen to their customers and as a result the site gets better each year. A clean, well-kept site and amenities, and there's a good bus service right outside the door.*"

"*It's well laid-out and immaculate. Staff cannot do enough for you to make your stay the best it can be.*"

"*We loved the free-range eggs available daily!*"

"*This is a gem of park in a beautiful location – it's handy for exploring Dorset and the Heritage Coastline.*"
