

## **SOUTH LYTCHETT MANOR** Caravan and Camping Park

### **Circular Walk (3) (about 3.75 miles) from the site stopping at the pub for a drink or at the Craft Centre for a cup of tea! (Just walk it in reverse)**

- Begin your walk at the Craft Centre (café).
- Turn left and after about 200m turn left again following the sign to Lytchett Minster School.
- Continue past the school until the road bends sharply to your left.
- Follow the bridle path to your right.
- Follow this path for about 1.5km.
- At the end of the path you come out on to Foxhills Road.
- Turn right and follow the road up the hill for about 1000m.
- When you nearly reach the top of Foxhills Road, on your right is a bridleway sign.
- Take the path which follows along the back of some houses and through fields and woods to a gate.
- At the gate turn left, walk towards another gate a short distance away and then turn right into a field.
- There is now a good straight walk along the side of the field with a wood on your right and views of Poole Harbour and the Purbeck Hills to your left.
- At the bottom of the hill the path turns to the left and continues down until it joins another footpath where you turn left up the hill. This is the bridleway you were on earlier.
- After this, the path turns right and takes you on to Post Green Road. Keepers Cottage is on your left.
- Go straight on and you will soon find yourself passing Post Green House on your left.
- Follow the road to the left as it leads into New Road (Lytchett Minster 1/4mile).
- At the bottom of New Road is the pub (St Peters Finger).
- Stop for a well earned rest and then follow the road (to your right as you come out of the pub) back to the camp site.

NB. All walk descriptions were correct at the time of writing. You will be walking in a natural environment so great care should be taken. All walks are undertaken at your own risk South Lytchett Manor cannot accept responsibility for any incidents or issues arising.
