

Circular Walk (1) (about 4.5 miles) from the site stopping at the pub on the way back – you might need it!!

- Begin your adventure at the Craft Centre (café).
- Turn left and after about 200m turn left again following the sign to Lytchett Minster School.
- Opposite the entrance to the school is the footpath. Follow this through the woods passing 2 farm gates, this can be muddy when wet so take care!
- Continue straight on up the farm path until you reach Race Farm.
- Just as you approach Race Farm, look back at the views over Poole Harbour... they are fantastic!
- At Race Farm the path finishes and you have to follow the road to your left, passing Huntick Farm. This is the least interesting part of the walk lasting about ¾ mile and the road is quite busy so take great care.
- When you reach Foxhills Road, stay left and walk down the road for about 10-15 minutes. You will see a bridle path on your left (the sign may be broken, so look for 3 wooden posts – then walk down the path.
- After this the path turns right and takes you on to Post Green Road. Keepers Cottage is on your left.
- Go straight on and you will soon find yourself passing Post Green House on your left.
- Follow the road to the left as it leads into New Road (Lytchett Minster 1/4mile).
- At the bottom of New Road is the pub (St Peters Finger).
- Stop for a well earned rest and then follow the road (to your right as you come out of the pub) back to the camp site.
